

Assembly Instructions - RTA Table with Fully Welded Base

Material List

- A - Base Assembly (1)
- B - Top (Marble/Slate/Mesh Assembly) (1)
- C - Attachment Brackets (4)
- D - Bolts (used with Marble/Slate Top) (4)
- E - Wing nuts (used with Mesh Top) (4)

Tools Required

Adjustable Wrench (Marble/Slate Top)

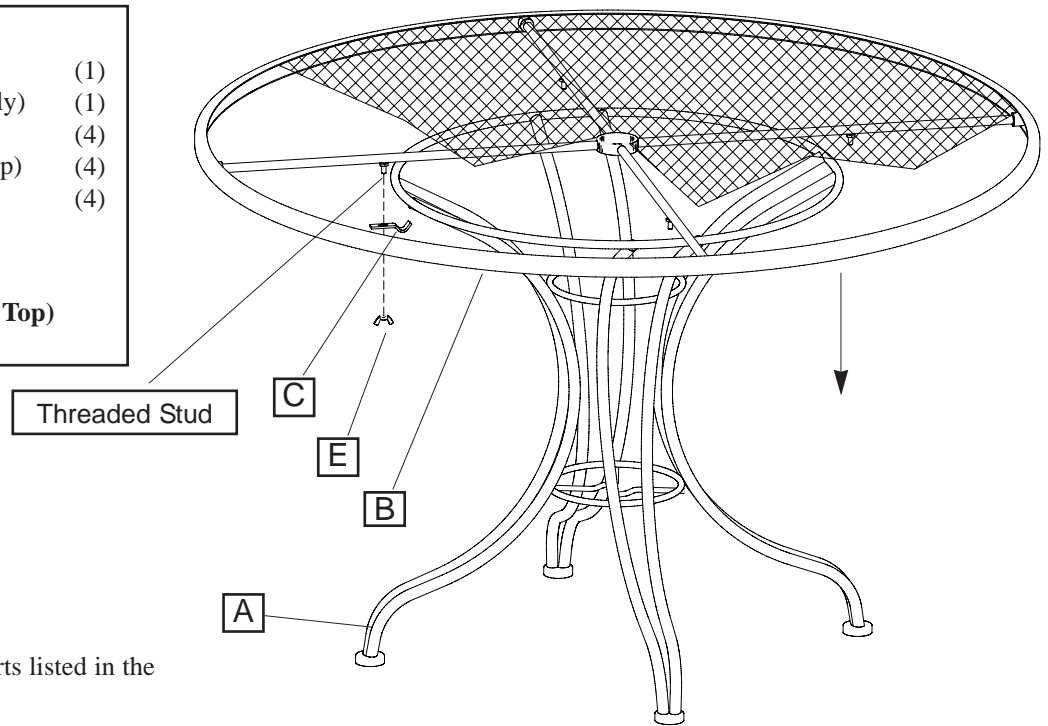

Figure 1: Top Assembly (Mesh)

Step 1: Verify you have received all parts listed in the Material List.

Note: Table bases and tops may vary from that shown in the diagram. However, assembly is the same for all.

Step 2: (Mesh Top only) Remove protective rubber tips from threaded studs on table top.

Step 3: Place top on base and attach using attachment brackets (C) and either wing nuts (E) or bolts (D) as shown in Figure 1 or Figure 2.

Note: Use caution when installing bolts into Marble Top table. **Do not over tighten.**
