

Assembly Instructions - RTA Tables

Materials List

- A - Legs (2)
- B - Center Brace
- C - Umbrella washer
- D - Bolt 1" (4)
- E - Mesh/Glass top
- F - Wing nut (4)
- G - Stone top
- H - Bolt 1/2" (4)

Tools Required

Adjustable wrench

Step 1: Verify that you have received all parts listed in the materials list.

Step 2: Insert umbrella washer (C) into center brace (B) umbrella tube.

Step 3: Assemble base. Connect center brace (B) to legs (A) using bolts (D). Over tightening bolt could cause damage. Bolt should be snug. See detail 1.

Step 4: Remove protective rubber tips from threaded studs (glass and mesh tops only)

Step 5: Attach top.

Glass/Mesh -Place top (E) on base and attach using wing nuts (F). See detail 2.

Stone - Place top (G) on base and attach using bolts (H).
